Executive Director's Report

For Month Ending: September 2010

State Committee Participation

ITEC: (Executive council comprised of private and public representatives charged with the adoption of IT policies for the state enterprise (All Branches))
- o Did not meet in September
- o Next Meeting scheduled for October.

ITAB: (State IT representatives who meet monthly to discuss ongoing upcoming and current status of issues facing the state IT enterprise.)
- Received a detailed update from KDHE on the extensive outage of their IT Systems
- Received a briefing from Cole Robinson on the Accessibility group and guideline revisions
- Mr. Roth provided a brief update on the report required by the Legislature to explore IT consolidation. He will report to the Legislature his findings and will be providing the same to the ITAB group at the next meeting.
- Received an update on customer issues and other information regarding the SMART system upgrade
- Received an update on the status of the KLISS legislative computer system from Dave Larson.

Information Technology Security Council (State agency representatives who provide oversight and policy recommendation to ITEC regarding IT security issues for the state)
- o Performed a walk through from Harv Townsend on the gap differences between Regents review of the Security Default Requirements document used by all agencies.
- o Will perform final review at next meeting

INK Initiatives:

State FMS Upgrade
- o Working to schedule a meeting with Accounts and Reports to discuss the service contract agreements and any changes to the submission requirements of INK/KIC.

INK 2009 Financial Audit:
- Received final copies of the audit.

INK Portfolio Analysis and Value Statement Project
- Will be meeting Oct. 12th to review first draft of analysis worksheet.

INK Finance Committee
- Will meet Oct 11th to discuss INK finances and provide recommendations to the Board, if any.

University of Kansas
- Was a guest speaker for the KU Master's Program in Public Administration. The class instructor is our own Mr. Duncan Friend. This is the second time I have been asked to present to Mr. Friend's class. The presentation covered the background and history of INK. I also brought some of the process flow charts for many of the state initiatives to describe and discuss with the class. My thanks to Duncan for the opportunity.

- I have been invited to be a member of a panel group to discuss the state Broadband initiative in Wichita at the end of October by Stanley Adams from Dept. of Commerce. Mr. Yunk has also been asked.
